

International Journal on Recent Researches In Science, Engineering & Technology

(Division of Mechanical Engineering)

A Journal Established in early 2000 as National journal and upgraded to International journal in 2013 and is in existence for the last 10 years. It is run by Retired Professors from NIT, Trichy.

It is an absolutely free (No processing charges, No publishing charges etc) Journal Indexed in JIR, DIIF and SJIF.

Research Paper

Chemical and structural changes in biolite in medical field using cow urine

Pitawall and Kumar

Abstract

The authors did extensive work on the chemical structural changes in biolite in medical field using cow urine as solution media and have suggested that the same can be extended to metals. They concluded that the ph value helps in removing the toxic elements and improve the properties of the biolite material.
