

International Journal on Recent Researches In Science, Engineering & Technology

(Division of Mechanical Engineering)

A Journal Established in early 2000 as National journal and upgraded to International journal in 2013 and is in existence for the last 10 years. It is run by Retired Professors from NIT, Trichy. It is an absolutely free (No processing charges, No publishing charges etc) Journal Indexed in JIR, DIIF and SJIF.

Investigations On Application Of Minimum Quantity Of Lubrication In Gear Boxes

K.Kalidoss and N.Mariemuthu

Abstract

In this paper the authors did investigations on application of minimum quantity of lubrication in gear boxes. They worked on measurement of cutting forces and heat transfer properties. The influence of lubricating oil on wear was studied. Their results confirmed the existing data.
