

International Journal on Recent Researches In Science, Engineering & Technology

(Division of Mechanical Engineering)

A Journal Established in early 2000 as National journal and upgraded to International journal in 2013 and is in existence for the last 10 years. It is run by Retired Professors from NIT, Trichy.

It is an absolutely free (No processing charges, No publishing charges etc) Journal Indexed in JIR, DIIF and SJIF.

Gear Lubrication And Protection At Low Temperatures

S.Parimala and K.Neha

Abstract

Literature reported ample research work on gear lubrication and protection at low temperatures. In this paper the authors have selected specific cases and develop mathematical model on gear lubrication and protection at low temperatures using the finding available in the literature.
