

International Journal on Recent Researches In Science, Engineering & Technology

(Division of Mechanical Engineering)

A Journal Established in early 2000 as National journal and upgraded to International journal in 2013 and is in existence for the last 10 years. It is run by Retired Professors from NIT, Trichy. It is an absolutely free (No processing charges, No publishing charges etc) Journal Indexed in JIR, DIIF and SJIF.

Methods To Improve The Efficiency Of Cooling Towers

K. Mahendra and E.Ramkumar

Abstract

The authors worked on developing methods to improve the efficiency of cooling towers. The authors considered many factors related to cooling towers. They have identified the important parameters of the cooling towers for the improvement in the performance of cooling towers.
